COMPANY PROFILE

INTRODUCTION

PSIRA Reg. Number: 4648296

We are privileged to write this proposal. BMT SECURITY is an established security company based in Johannesburg CBD, fully registered with PSIRA and we specialize mainly in Evictions of illegal occupiers and securing the premises, this has been our main focus Area since the company was founded in 2022. We have done work for top property giants in the city.

BMT SECURITY as one of the highly experienced and adequately capacitated company in this environment has set around the table and applied out-of-box thinking to bring about a solution that will be less costly and smooth transition.

Securing a property under such circumstances requires specialized skill and experienced compared to static guarding. Hence it is advisable that the engagement of BMT SECURITY as the service provider will be ideal as we have experience dealing with such situations and we will make sure there is no re-invasion as that could triple your cost of maintaining your asset.

BMT SECURITY prides itself with an excellent record of having carried out more complex situations during the past decade and a half. We are a registered and incorporated company; our directors have necessary qualification and credentials in the Security and crime prevention sphere. Our goal is to be one amongst the best in the country and our achievement record affirms that. We will avail ourselves to get the project off the ground at the soonest that we are required to act. Our core duty to deliver the expectant deliverables is assured unless factors beyond our powers arise.
